Student Expense Tracker and Manager

MCS 2613; Assignment 5

Mission/Vision Statement

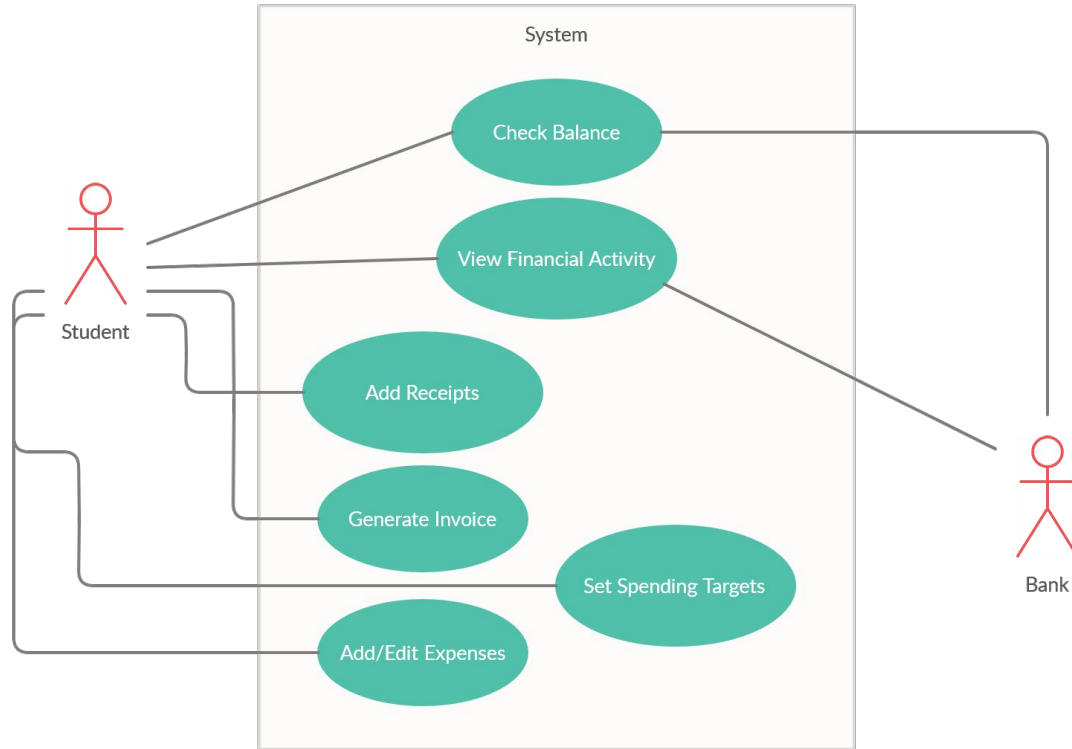

The Student Expense Tracker and Manager app is an expense tracking application primarily designed for student users. The application allows for instant access to personal banking information and logging financial activities.

Who: Students

What: Checking banking information and financial activities

Wow: Offline, fast, and easy to use.

Use-Case Scenarios

Requirement Statements

- The application shall display basic banking information to the user upon opening the application.
- The application shall include the option to view recent financial activities from the user.
- The application shall generate a report of all financial activities ranging from certain dates.
- The application shall allow the user to save their receipts on purchases.
- The application shall provide users with the capabilities of editing and adding expenses.
- The application shall allow users to set a spending target from transactions.
